Chicago Area Alumni Association Newsletter

Fall 2009

Brothers,

I am happy to present the first Chicago Area Alumni Association quarterly newsletter, and at the same time, announce a number of recent changes. In October the CAAA elected a new board of officers, giving us the depth and manpower to meaningfully increase our activities and services to alumni and undergraduates living in the Chicago area. This has already led to the creation of this newsletter, our new website [www.chicagosae.com](http://www.chicagosae.com), and new social events, including quarterly Happy Hours and SAE Alumni teams in Chicago Sport and Social Club leagues. Please join me in congratulating the new officers listed below.

The rest of this newsletter will provide valuable information regarding all the events and programs currently underway with the Chicago Area Alumni Association. We hope you will join us for our first quarterly Happy Hour at the Bull and Bear this Friday, and be sure to mark your calendar for next year's Founder's Day celebration. If you have any questions regarding any of these events, please feel free to contact us through our website, or using any of the contact information presented below.

Hope to see you at one of our upcoming events.

Adam Sherer

Nearly 60 alumni and undergraduate brothers attended the Nov. 13th, 2008 game between the Chicago Bulls and Dallas Mavericks, with a social hour before the game at the West End Tavern.
